Online Library My Reconstructed Life Eugen Schoenfeld

This book is a socio-
autobiography of a young
man, born in a Jewish town
at the foot-hills of the

Online Library My Reconstructed Life Eugen

Schoenfeld
Carpathian Mountains in 1925
to a devout Jewish family,
and his journey through the
Holocaust toward academia in
the United States. This new
edition also follows his
story into retirement. This
book is the revelation and

Online Library My Reconstructed Life Eugen

personal evolution of a boy
born and steeped in
orthodoxy who, while
retaining the essence of the
values into which he
inducted, sought at the same
time to re-interpret his
original values and ideals.

Online Library My Reconstructed Life Eugen

Schoenfeld
He takes this orthodox-particularism and seeks to reconstruct it to become a universalist view of mankind. This book is also a description of his effort to reconstruct his life which had been destroyed by

Online Library My Reconstructed Life Eugen

Hitler's effort to make the world "Jew free." In the camps, he lost most of his family upon which the foundation of his early life was built. After the war, finding himself alone, he had to revise his plans for

the future and was forced to find his way alone, in another world and another way of life. He seeks to overcome obstacles and rebuild his life, while also finding a niche for himself in a new, post-Holocaust

shares with his readers the
hardships he endured both in
the camps and after
liberation; of hunger and
loneliness and separation
from his father living
behind the Iron Curtain. He

his goal of understanding,
finding the answers to the
question he asked his father
on the first day in Aushwitz-
Birkenau: "How is possible
that now, in the midst of
the twentieth century, after
all the great achievements

search for a way through
which human beings can

cease living merely as human
beings and evolving into

this book reorients our view
of the Holocaust not simply
as a German drive for
continent-wide genocide, but
as a truly international
campaign of mass murder,
related to violence against

shows how Hungary's

a diverse society and way of
life that today, from the
vantage point of our world
of nation-states, we find
difficult to imagine.

In the late 1980s, Holocaust

Online Library My Reconstructed Life Eugen

Schoenfeld literature emerged as a provocative, but poorly defined, scholarly field. The essays in this volume reflect the increasingly international and pluridisciplinary nature of this scholarship and the

Online Library My Reconstructed Life Eugen

Essays from a prolific career that challenge and overturn traditional narratives of southern Jewish history Mark K. Bauman, one of the foremost scholars of southern Jewish history working today, has

Online Library My Reconstructed Life Eugen

Schoenfeld spent much of his career, as he puts it, “rewriting southern Jewish history” in ways that its earliest historians could not have envisioned or anticipated, and doing so by specifically targeting themes and trends

Online Library My Reconstructed Life Eugen

Schoenfeld
that might not have been readily apparent to those scholars. A New Vision of Southern Jewish History: Studies in Institution Building, Leadership, Interaction, and Mobility features essays collected

Online Library My Reconstructed Life Eugen

Schoenfeld from over a thirty-year career, including a never-before-published article. The prevailing narrative in southern Jewish history tends to emphasize the role of immigrant Jews as merchants in small southern

towns and their subsequent struggles and successes in making a place for themselves in the fabric of those communities. Bauman offers assessments that go far beyond these simplified frameworks and draws upon

Online Library My Reconstructed Life Eugen

Schoenfeld varieties of subject matter,
time periods, locations,
tools, and perspectives over
three decades of writing and
scholarship. A New Vision of
Southern Jewish History
contains Bauman's studies of
Jewish urbanization,

acculturation and migration,
intra- and inter-group
relations, economics and
business, government, civic
affairs, transnational
diplomacy, social services,
and gender—all complicating
traditional notions of

Online Library My Reconstructed Life Eugen

Southern Jewish identity.
Drawing on role theory as
informed by sociology,
psychology, demographics,
and the nature and dynamics
of leadership, Bauman
traverses a broad
swath—often urban—of the

Online Library My Reconstructed Life Eugen

Southern landscape, from Savannah, Charleston, and Baltimore through Atlanta, New Orleans, Galveston, and beyond the country to Europe and Israel. Bauman's retrospective volume gives readers the opportunity to

Online Library My Reconstructed Life Eugen

Schoenfeld
review a lifetime of work in
a single publication as well
as peruse newly penned
introductions to his essays.
The book also features an

section designed to update
the historiography in the

Emile Durkheim's 1897 On
Suicide is widely recognized
as one of the foundational
classic texts of sociology.

Online Library My Reconstructed Life Eugen

Schoenfeld
It is also one that shows the degree to which strong interpretative skills can often provide the bedrock for high-level analysis. Durkheim's aim was to analyse the nature of suicide in the context of

Online Library My Reconstructed Life Eugen

Schoenfeld
Society itself - examining
it not just as an individual
decision, but one in which
different social factors
played important roles. In
order to do this, it was
vital that he both define
and classify suicide into

Online Library My Reconstructed Life Eugen

Schoenfeld
subtypes – kinds of suicide with different causal factors at play. From his research, Durkheim identified four broad types of suicide: egoistic (from a sense of not-belonging), altruistic (from a sense that group

Online Library My Reconstructed Life Eugen

Schoenfeld
goals far outweigh
individual well-being),
anomic (from lack of moral
or social direction), and
fatalistic (in response to
excessive discipline or
oppression). These
definitions opened the way

Online Library My Reconstructed Life Eugen

Schorsfeld
for Durkheim to pursue a close social analysis examining how each type related to different social contexts. While his study is in certain ways dated, it remains classic precisely because it helped define the

Online Library My Reconstructed Life Eugen

Schoenfeld
methodology of sociology
itself - in which
interpretative skills remain
central.
