"Exemplary....The type is large and clear, and the page well designed for maximal legibility. Even the quality of paper, binding, and case deserves praise. An eminently respectable addition to art collections with photographic interests." —CHOICE "...marvelously intelligent guide....beautiful reproductions of some especially interesting photos....a must..." —THE AMERICAS

Brian & Janet Stoppee have incorporated their decades of daily, hands-on expertise at image-making plus their leading seminars and one-on-one training into the most comprehensive guide to photographic lighting available! It's impossible to be successful in photography without a mastery of light. It's the basis of all things photographic. The Stoppees welcome the reader into their professional world with a conversational tone that makes you feel as if you are a member of their team in pre-production planning, out on a shoot, or back at their studio, in post-production. They've packed the book with full color, vibrant images and lighting diagrams that make the technology easy to quickly understand. This compendium of professional know-how shows you how to both manipulate nature's light and create natural-looking illumination with artificial light sources. Whether you're a professional photographer, you use photography in your profession, or you just want your images to look more professional, this book is your resource to creating far superior digital images. You'll gain a greater understanding of: .Light's Properties .Digital Exposure .Optics .Metering .Color .Pre-Production .Adobe Camera Raw .Scanning .Light Modifying Tools .Support Systems .Daylight Fluorescent .HMI .Wireless Battery Flash .Digital Studio Flash .Digital Tablets .Painter .Professional Printing ...and much more, just like the world's top image-makers. The Stoppees' darkroom is all digital, so without this guide to photography and light, you'll be left in the dark ages!

A must-have baby shower gift for expectant dads! In this one-of-a-kind guide, dad, doula, and certified lactation counselor Brian Salmon and perinatal mental health and relationship expert Kirsten Brunner offer practical, modern-day survival tips for expectant dads and birth partners. Gone are the days when fathers would nervously pace the waiting room while their partners gave birth. Dads are participating in childbirth now more than ever before. However, if you're like many men, you may feel unprepared, uncomfortable, or even unwelcome in the birth room. For you, this book offers battle-tested tips to help you get in the game and prepare for one of the most incredible adventures of your life. Based on the author's Rocking Dadschildbirth course, this book will teach you everything you need to know about supporting your partner through birth, breastfeeding, and beyond. In this guide, you'll discover pointers and advice you won't find in any other childbirth or breastfeeding guide, including: A list of items to pack for the hospital that will help mom's labor go more smoothly Stealth communication skills that you can utilize during early labor to support mom and keep her in a positive state of mind How to write a birth plan that the labor and delivery nurses will actually pay attention to What to say and do—and what not to say and do—when mom is in active labor and feeling all the feelings A detailed account of what to expect in the delivery room as a birth partner, and how to navigate the unknown terrains when things don't go as planned How to help mom achieve proper nipple latch when she attempts breastfeeding for the first time Finally, and perhaps most importantly, you'll find tips for maintaining a strong relationship with your partner before, during, and after the birth so that you feel closer than ever when you launch into the wild yet wonderful world of parenthood.

Nineteenth-century prints and contemporary photographs and descriptions of buildings, ships, wharves, and bridges comprise a walking guide to the South Street area of Manhattan
