c) As stated also in the previous fatawa, Shaykh Imran Hosein has chosen to interpret such texts based on logic and self-interpretation, rather than staying under the light of Quran and Sunnh. The fact of the matter is that all such interpretations are based on mere intellect and are not substantiated by explanations provided by the muhaddithin or mufassirin in the past.

In consequence of a mysterious decision taken by Mustafa Kamal's secular Republic of Turkey to not only change the city's name, but to also take steps that eventually ensured that the name, Constantinople, would no longer be used, this writer had to retrieve the name "Constantinople" from the museums of history in order for this book to be written. Why did the secular Turkish leader change the name of the city? Why did the name "Constantinople" have to suffer

that mysterious fate? This book brings clarity to that subject. This writer is convinced that the mysterious disappearance of the name "Constantinople" from the modern-day vocabulary and discourse is directly linked to the status and role of the city in both Islamic and Christian eschatology.

Imran N. Hosein was born in Trinidad, West Indies. He studied Islam under the guidance of the distinguished Islamic scholar, Maulana Dr. Muhammad Fadlur Rahman Ansari, at the Aleemiyah Institute of Islamic Studies, Karachi in Pakistan. He also did post-graduate studies in Philosophy at Karachi University, and in International Relations at the University of the West Indies, Trinidad, and the Graduate Institute of International Studies, Geneva, Switzerland. John L. Esposito is one of America's leading authorities on Islam. Now, in this brilliant portrait of Islam today-- and tomorrow-- he draws on a lifetime of thought and research to provide an accurate, richly nuanced, and revelatory account of the fastest growing religion in the world. Here Esposito explores the major questions and issues that face Islam in the 21st century and that will deeply affect global politics: Is Islam compatible with modern notions of democracy, rule of law, gender equality, and human rights? How representative and widespread is Islamic fundamentalism and the threat of global terrorism? Can Muslim minority

communities be loyal citizens in America and Europe? In the midst of these questions Esposito places an important emphasis on the issue of Islamophobia, the threat it poses, and its vast impact on politics and society in the US and Europe. He also turns the mirror on the US and Europe and paints a revealing portrait of how we appear to Muslims. Recent decades have brought extraordinary changes in the Muslim world, and in addressing these issues, Esposito paints a complex picture of Islam in all its diversity--a picture of urgent importance as we face the challenges of the coming century.

History began with a Divine warning not to approach a forbidden tree of lust to rule over others. History is ending with that new actor on the stage of the world displaying an unprecedented imperial lust to rule the world. That new actor possesses power

# File Type PDF Sheikh Imran Hosein

unprecedented in human history and has already used that power through Gog and Magog to spread himself out in all directions as he took control of the world. He then proceeded to liberate the Holy Land for the Jews, to bring them back to the Holy Land to reclaim it as their own two thousand years after they had been expelled from it by Divine decree, and to restore in the Holy Land a State of Israel. That mysterious new actor is now preparing the way for Israel's Pax Judaica to replace USA's Pax Americana. This pioneering book on Islamic Eschatology has identified that strange and mysterious new actor who occupies center-stage in the world in the End-time, and who brought modern western civilization into being, as Dajj ä l the false Messiah.

This book is devoted to a study of the Jasad, whom the Prophet-King Solomon

('alayhisalam) saw sitting on his throne, and the first problem we encounter in this study is that neither the Qur'an nor the Prophet Muhammad's (sallallahu 'alayhi wasallam) Hadith explain who this Jasad truly is. This book has, therefore, been written with the specific purpose of inviting a scholarly response to this subject of the Jasad, from those who defend the salafi methodology, as well as those who defend the methods by which the Qur'an is studied in the Dar al-Ulum... This is a very in depth account of what the Russian government believed was going on during the decade just before the war and the war as it progressed in the first two years. Key events such as the Russo-Japanese war is highlighted as well as the French and English alliance they found themselves in. With a more "western" identity moving in to the First World War, Russia believed that they were completely ready for the chance to splash back into the elite sector of Europe by becoming victors in this war. Written before the Bolshevik Revolution, this is a great look into pre-soviet Russia.

Jerusalem in the Qur'an made its debut at a crucial time when the morale of the Muslims was not only at its lowest... but is continually

sinking... The blatant incessant Israeli incursions in the Holy Land go unabated, and Muslims are echoing the very words that their fellow brethren called out unto their Lord when they were being persecuted at the hands of the kuffar of Makkah: "When will the help of Allah come?" Shaikh Imran's insight into the events that are unfolding in the world today is a source of inspiration for Muslims for he convincingly argues from his scholarly interpretations of the Divine Writ (i.e., the Holy Qur'an) and the Ahadith of the Prophet Muhammad (sallallahu 'alaihi wa sallam) that the help of Allah (subhanahu wa ta'alah) is at hand, that the Holy Land will be liberated, and that Islam will re-emerge as the 'Ruling State' in the world. The reader will be enthralled by the author's grasp on world politics. Jerusalem in the Qur'an comes as a ray of sunshine for Muslims and is an eye-opener for the so-called 'People of the Book'. Though

Jerusalem in the Qur'an is a meticulously written thesis combining religious and historical documents with recent political events and penetrating interpretations from the Qur'an and Hadith, it runs like a story. Once you begin reading it, it is hard to stop ... It is a reference that one needs to keep and re-read whenever the subject is to be researched. The book gives a detailed beautifully written exposition of these episodes with brilliant interpretations from the Holy Qur'an and Sunnah. No one would fail to appreciate his penetrative thought and his spiritual depth.
